# MUSIC IS HER SPORTS

This year's CASA finals half time show will feature one of Jamaica's fast rising, extremely talented musical selector DJ Dalvy. Born Dalvie Bryan in Portland, Jamaica on August 24th, 1992.

DJ Dalvy began her career in entertainment as a promoter, and can be accredited with launching the careers of several artistes. She grew to become an official disc jockey in 2012 when UFDV Radio, who's CEO was so impressed by her skills on the turn table, offered her a job as an on air personality and program host.

Since then, Dalvy has continued growing by working on several other radio stations and playing at countless events locally and overseas. She has maintained a competitive presence on YouTube's dancehall/Reggae mixes dominated by males, which has fans and

foe fondly referring to her as the "Mixtape Queen". With over 19k subscribers to date and the hottest "old school dancehall mix" currently, she's on target to hitting 1 million views in the shortest time period.

For anyone wishing to work with DJ Dalvy, you may contact [djdalvymusic@gmail.com](mailto:djdalvymusic@gmail.com) or (954) 709-4335.
